Subject: Pan & Fork Parcel

Dear Council,

Thank you for your efforts to serve our town and its residents. In so doing, may you consider the outcome of the 2013 election regarding the bond issue? By a 2-1 margin, the voters approved a park on the Pan & Fork parcel, while also setting aside 2.3 acres for development. This issue was settled by a wide margin via a fair and impartial election. May you please proceed on the letter and spirit of that mandate, in the best interests of the citizen voters who decided it, and the community at large?

--

Best,
Lester Craft
