We the undersigned, request that:

When signed please text 618-1145 with address and location of petition and we will pick up.

- The Basalt City Council Master Plan and implement Zoning of the 2.31 acre (100,937 square feet) parcel, that fronts Two Rivers Road and runs from Midland Avenue to the Rocky Mountain Institute building, to allow for a maximum of 33,000 square feet of total improvements on the "Development Parcel" and "Town of Basalt Community Center Parcel". The balance shall be permanent open space. (see map on reverse)
- The "Community Center Parcel", shall be retained by the town of Basalt, and allow a maximum of 6,500 square feet of improvements and may be built in the future when funds are available.
- The "Development Parcel" will allow 26,500 square feet of total improvements for use as a hotel, a restaurant, commercial retail, and or non-profit organizations. No residential development shall be allowed. Development Density belongs on Clark's Market Parcel.
